In-House Draw - Information from the new In-House Draw guidelines:

- “Residents in each house will choose rooms in order of student class year followed by draw number. The order of room selection is determined by Housing Assignments.” Seniors will draw first, then Juniors, followed by Sophomores.
- “If students pick roommates who are from a different class year, the roommate of the lower class dictates the in house draw choice. Ex: A senior living with a junior means that the roommate pair draws according to the junior’s class year and the junior’s draw number.”

IF YOU ARE NOT ON THE HOUSE ROSTER, YOU CANNOT PARTICIPATE IN IN-HOUSE DRAW!

Important In-House Draw Notes

- Any misrepresentation of information in determining your draw status will be considered a violation of the Fundamental Standard and will void all claims to your room assignment.
- Assignments are not final until you move into your room in September. There may be an occasion when the University must make special assignments (i.e. Office of Accessible Education need).
